## VEHICLE, MOTORBOAT AND FARM EQUIPMENT DEALER'S INVENTORY INSTRUCTIONS

West Virginia Code § 11-6C-1 et seq. establishes a special method of appraising vehicle, motorboat and farm equipment dealer inventory. This provides that in estimating the market value of such inventory the assessor shall use annual sales for the previous calendar year divided by 12 to determine the market value of the dealer inventory as of July 1. Vehicles are defined in West Virginia Code § 17B-1-1, motorboats are defined in § 17A-6-1. **This calculation also applies to house trailers and factory-built homes.**

§ 11-6C-1 was amended in 2008 to include farm equipment dealers in this special method of valuing inventory. However, only farm equipment that is titled in the name of the retail purchaser and registered with the Division of Motor Vehicles upon its sale to the retail purchaser is subject to valuation under West Virginia Code § 11-6C-1 et seq. **All other farm equipment inventory in the possession of the farm equipment dealer on the assessment day is subject to valuation and assessment under West Virginia Code §§ 11-3-1 et seq. and 11-5-1 et seq.** "Farm equipment dealers" means a person, partnership, corporation, association or other form of business enterprise which primarily sells farm equipment as defined above.

Farm equipment includes, but is not limited to, the following equipment, and also includes attachments and repair parts for the following equipment: tractors; crawler tractors (other than bulldozers); walking tractors; cultivators; plows; harrows; power tillers; rotary tillers; spading machines; subsoilers; plastic mulch layers; planters and planting machines; seeders; mechanical transplanters; manure spreaders; fertilizer spreaders; insecticide and fertilizer sprayers; irrigation equipment; harvesters; fixed and portable belt and screw type conveyors exclusively used in agriculture; cotton pickers; hullers; swathers; windrowers; balers; bale movers exclusively used in agriculture; hay conditioners; hay mowers; mowing machines; mower/conditioners; hay rakes; hay tedders; feed grinders; grain carts; rock pickers; milking machines and milking machine components; animal trailers, to the extent that they constitute tangible personal property; apiary equipment.

Only those items of the above listed farm equipment that are titled in the name of the retail purchaser and registered with the Division of Motor Vehicles upon its sale to the retail purchaser is subject to valuation under West Virginia Code § 11-6C-1 et seq.

Farm equipment does not include: (1) property that is not tangible personal property, (2) building materials and equipment that is installed into a building or structure so as to be converted upon installation into a fixture or into real property, (3) cars, trucks, motorcycles and any other self-propelled machines designed primarily for the transportation of persons or property on a street or highway, (4) trailers, or towed machines or apparatus designed primarily for the transportation of persons or property on a street or highway, (5) fork lifts, backhoes, earth movers, bulldozers, end loaders, power shovels, excavators or other equipment primarily designed to be used in earth moving, excavation or construction activity, or in the activity of warehouse materials handling, (6) airplanes, and other aircraft, and (7) all terrain vehicles, motorcycles and other off road vehicles primarily designed for recreational use.

The following are general instructions to assist you in completing the Vehicle, Motorboat and Farm Equipment Dealer's Inventory Worksheet which is to be filed with the *Commercial Business Property Return* (STC 12:32C).

**Farm equipment dealers please pay particular attention to the definition of farm equipment.** Sales of farm equipment titled in the name of the retail purchaser and registered with the Division of Motor Vehicles upon its sale to the retail purchaser should be included on the worksheet's gross sales calculation. **The value of equipment not defined to be farm equipment and the value of farm equipment that is not titled in the name of the retail purchaser and registered with the Division of Motor Vehicles upon its sale to the retail purchaser should be entered on line VII (B).**
